Bonterra™

Services

Make the most of your technology.

INCLUDED SERVICES

Support
Access trained specialists during working business hours.

Help Center
Find answers to your questions and get guidance on industry best practices.

Training Webinars
Get admins and users up to speed quickly to get value from the product faster.

PAID SERVICES

Post-Launch Consulting
Robust expertise on optimizing the platform, get roadmap access to new features, and an overall enhanced support experience post-launch.

Coaching
Seasoned professionals who provide expertise and resources to strengthen your organization's fundraising and engagement.

Data Services
Wide variety of services to help you migrate and maintain your data, from initial mapping and conversion to ongoing data maintenance.

Design Services
Design consultation to help you build and customize your website, forms, email templates, and more.

Onboarding
Assistance in providing product knowledge and how to optimize the platform and its tools. (Plans vary based on service package.)

Services
Available as an add-on to Bonterra's Digital, Development, Volunteer Coordination, Advocacy, and Organizing tools.
